## **Hughes Volleyball Coaching Staff Recognized for Going Above and Beyond**

The Hughes Center volleyball coaching staff – including head coach Anita Burke, assistant coach Spencer Morgan and scorekeeper Michelle Davis – have received the Ohio Valley Volleyball Coaches Association’s (OVVCA) “Above and Beyond Award.” After a vote by the more than 150 members of OVVCA, Hughes was selected for showing good sportsmanship, having a positive attitude, and going above and beyond what was asked by playing all 23 matches on the road. Congratulations!

## **Western Hills University Students Debate Politics; Conduct Research**

Two juniors at Western Hills University High School – Jamal C. and Amanda K. – represented their peers at the Youth and City Government conference earlier this month because of their interest in politics and leadership in the classroom. They joined other students from across the city in discussing key issues that Cincinnati’s youth face regularly, as well as ways to resolve them.

## **SCPA and Schiel Students to Perform at Red Ribbon Rally**

More than 200 students from Cincinnati Public Schools will be able to see their peers perform live at the Schiff Conference Center at Xavier University during the Hamilton County Red Ribbon Rally, a drug prevention event. Students from Schiel Primary School for Arts Enrichment will give a violin performance and a puppet show. Students from the School for Creative and Performing Arts will present a play that they wrote and produced. The rally is scheduled for October 28<sup>th</sup>.

## **Shroder Gets \$250,000 Technology Boost**

Shroder Paideia High School is the proud recipient of a two-year, \$250,000 American Recovery and Reinvestment Act Title II-D grant to enhance technology in the classroom. A team of Shroder’s teachers will receive extensive training on how to develop a 21<sup>st</sup>-century, technology-based classroom. Once the training is complete, teachers will be able to purchase technology to enhance their instruction.
