

Language Arts

Grades
1-4

By the end of the 1st through 4th Grade Program I can. . . .

Reading

- Sound out words and read aloud easily – with expression!
- Find the meaning of new words by looking for clues and by using the dictionary.
- Read for different purposes and use different strategies to understand meaning.
- Find main ideas and themes, describe story elements and styles, and understand the order of events or directions.
- Compare and analyze what I read.

Writing

- Write about ideas and topics for different audiences.
- Review, revise, edit and use scoring guides to improve my writing.
- Check for correct spelling, grammar, punctuation and capitalization in my work.

Research

- Use resources to get information and report my findings.

Communication

- Understand and make presentations that are clear, focused and organized.

These are just some of the things I can do. For more information about Language Arts Standards, look for the Standards section on the CPS Website: www.cps-k12.org
