

REVISED NOTICE: 2009-2010 Student Fee

BOARD OF EDUCATION, CITY SCHOOL DISTRICT OF THE CITY OF CINCINNATI
OFFICE OF THE TREASURER
P.O. BOX 5384, Cincinnati, Ohio 45201-5384

August, 2009

Dear Parent or Guardian:

The Student Fees form on the reverse side of this letter must be completed and returned to the school with payment for each student.

Student fees are used to pay part of the cost of essential classroom materials that are very important for your child's successful performance in school. The fee schedule for the 2009-2010 school year reflects no increase over the prior school year, and is shown on the back of this letter. As in past years, the fees are based on family income and the number of children you have in the Cincinnati Public Schools. We are striving to hold costs down without sacrificing quality services to our students.

Beginning with the 2009-2010 school year, Ohio law prohibits Cincinnati Public Schools from charging these fees to a student who qualifies for free lunch. If your student is eligible for a waiver for these fees because of receiving or qualifying for free lunch, you must indicate this in Section 3 on the reverse side. Then return this form to the **School Cashier** at your child's school. To obtain free lunch information, please contact Food Services at (513) 363-0800. If you have more than one child, and they attend different schools—submit each original form, **separately, to the School Cashier at each child's school of attendance. Please note that this law is NOT retroactive to previous years. Also, please remember that this form must be submitted during the current school year, in order for your fees to be waived.**

This student fee is a one-time charge for the entire 2009-2010 school year. You can help your child get off to a good start this year by completing the form on the reverse side of this letter as early as possible and returning it with payment to your child's school. To qualify for an adjustment, payment must be made within the current school year. Past-due fees for previous years will be charged at the full unadjusted amount.

If you have questions, please call your child's school. We would be grateful for your cooperation in paying student fees promptly—by October 16, if possible.

Sincerely,

Jonathan L. Boyd
Treasurer/CFO
