Re: Semiannual Report on Bullying

Under Ohio Rev. Code 3313.666(B)(11), the District administration is required semiannually to “provide the president of the district board a written summary of all reported incidents [of harassment, intimidation, and bullying] and [to] post the summary on its website.”

Board Policy 5517.01 also provides: “The President of the Board shall receive a written summary of all reported incidents semiannually, and this summary will be posted on the District’s website to the extent permitted by FERPA.”

The attached document includes reported allegations of bullying at each school, and delineates substantiated and unsubstantiated reports during the time period of January 1, 2021 through May 31, 2021. Unresolved cases noted during this time period are still under investigation by school district administration.
