1. Students are expected to work in each class, each school day and complete all assignments on their calendar.

2. Attendance is based upon the student’s Adequate Progress/assignment completion in each class. A student that is up to date in all classes, or completes a day of assignments in each class is considered present. A student that is not up to date in all classes will be marked absent for each day the student failed to complete the assignments listed on the student work calendar that is posted on Clever.

3. **K-5 Students MUST attend school 6 hours a day. (Shown on next slides)**

4. Results of not working or completing daily assignments:
   a. Truancy Court
   b. In person or phone conference
   c. Referral to the social worker/truancy officer
   d. Call-In Schedule
   e. Virtual Classroom
   f. Mandatory participation in evening classes
   g. Working during school hours (8am - 2pm)
   h. LanSchool monitoring

Module 1: Relate Multiplication to Addition
The modules are where all of your students assignments are located.

**BEFORE** your student can submit any work, you and your student need to complete the activities in the Resources folder.
Resources

- Learning Coaches - What do you need to do?
- Learning Coach Guide & Materials
- Getting Started
- Audio Practice Activity
- What is Independent Reading?
- Spelling Lists
The checkmark indicates all assignments in the file have been completed.

Students **MUST** complete assignments in sequential order.

If your student does not complete assignments in sequential order, they cannot submit assignments.
Your student **MUST** click *Mark This Activity Complete* AFTER they have gone through all of the pages or they will not be able to submit assignments.
You will **ALWAYS** click print to see the assignment your child will need to complete. You **DO NOT** need to print anything because all assignments must be completed and submitted digitally.
Assignments ONLY get submitted when you see this page.
1. Click the blue circle with the plus sign in it.
2. Click attach a file.
3. Click choose.
4. Click downloads.
5. Choose the assignment and click open.
6. The assignment is chosen, so you can click upload.
7. The assignment is now attached because there is a paperclip. You can now click submit my work.
8. Once submitted this page will say “You have successfully submitted the assignment.”
To check grades daily, and to see if something needs to be resubmitted, click on the Activity Stream.
To check grades daily, and to see if something needs to be resubmitted, click on the Activity Stream. A curved arrow means the assignment was returned to your student to redo and resubmit.
If your K-3 student completes their assignments in their workbook or on paper, they MUST take a picture of the workbook pages and submit them when they are due.
