

Dear Dater Montessori Family,

My name is Mrs. Connie Johnson. I have been teaching at Dater Montessori for 8 years as a <sup>4</sup>/<sub>5</sub> Social Studies teacher. I'm excited to announce that I will be teaching a new special, SEL (Social Emotional Learning) to our K-6 students in the 2023-2024 year.

The SEL special will teach students how to interact with others successfully. We will learn how to establish and maintain positive relationships, feel and show empathy, understand and manage emotions, and set and achieve positive goals. Students will be taught to build self-awareness, social awareness, and self-management.

I look forward to meeting and working with your child!

Kindly,

Mrs. Connie Johnson

SEL teacher
