May 18, 2022

Dear New Families,

Welcome to the 6-9 community at Dater Montessori! My name is Tracey Peters and I am your student's homeroom, Math and Science teacher. This will be my 22nd year at Dater Montessori. I live outside of Brookville, Indiana with my husband, Dave, two of our five children, our dogs, Lulu and Lucy, and our cats, Winston, Sassy, Rookie, and Ollie. Yes, I love Dater Montessori so much that I drive 40 miles to and from school every day! When I'm not in school I love camping and kayaking with my family, gardening, canning, and taking care of my 34 chickens.

Ms. Christine McDonald is our kind and energetic paraprofessional. This will be her sixth year at Dater. Ms. Christine loves music! She has been a musician since she was 4 years old, starting with singing and then playing the cello. Ms. Christine likes to not only perform for others, but write music as well. She hopes to own her own recording studio someday. In her spare time she loves to read for pleasure and knowledge. As a kid she did not always like to read, but she thoroughly enjoys it now!

I team teach with Ms. Sarah Doepke (pronounced dep-key). The students will have Math or Science lessons every day with me, and Language Arts or Social Studies lessons with Ms. Sarah each day. This structure will maximize a focused academic approach to the standards with the support of Montessori materials while maintaining the integrity of the Montessori belief of establishing an organized, peaceful, and well-managed classroom. Next year is our sixth year teaming together.

Ms. Sarah has worked at Dater Montessori as a 6-9 teacher for 19 years. She has a Masters of Education from Xavier University, her Montessori certification, and her National Board Certification. Ms. Sarah and her husband, Ben, have 3 children. She enjoys working on their historic home, attending her children's swim meets, and hiking.

Included you will find a list of classroom supplies needed for next year. Please bring the personal supplies the first day of school and the community supplies by the end of the first week. If you would like to purchase a resource to help your student prepare for the next grade, the Summer Bridge Book is a great resource to practice those necessary skills.

In the fall we will have a New Parent Orientation Meeting on Tuesday August 30 from 6:00 to 6:45 for all new 6-9 families. We will discuss our routines, expectations, and new schedules, as well as answer any questions you may have.

As always, feel free to contact me with any questions or concerns. You can reach me at 363-0952 or petertr@cpsboe.k12.oh.us, or Ms. Sarah at 363-0963 or doepkes@cpsboe.k12.oh.us

We are looking forward to partnering with you next school year!

Sincerely,

Ms. Tracey
