Electric pencil sharpener

parents spend money on items that we will have
to take away from students, so please do not let
your student bring in:

- Mechanical pencils, pens, crayons,
markers or sharpie markers

We have seen too many problems with these
materials, and it is better if they are not in the
room. They will be taken from students. Please
support us in this area. We have to take away
these items each year, and the students are
disappointed. Please leave these things at
home.
