A RESOLUTION SUPPORTING
THE RIGHTS AND SAFETY OF ALL DISTRICT STUDENTS AND STAFF

WHEREAS, the hate speech, intimidation, and violence at the recent “unite the right” rally in Charlottesville served as a sobering reminder of the racism, anti-Semitism, homophobia, Islamophobia, and anti-immigrant sentiment that still plagues our nation; and

WHEREAS, this act of domestic terrorism strikes at the soul of our District’s core values; and
A RESOLUTION SUPPORTING
THE RIGHTS AND SAFETY OF ALL DISTRICT STUDENTS AND STAFF
(cont.)

WHEREAS, this Board, District leadership, and our employees’ union leadership (we) believe we must act to protect the rights and safety of all our students and families; and

WHEREAS, we believe that the diversity of students, staff, and families in our District is what makes our public schools strong, and that this reflection of the totality of our country prepares our children for the broad diversity of people they will encounter throughout their lives; and

WHEREAS, our District’s Equity Policy states that “Our students, staff and stakeholders bring their personal backgrounds into our schools and the District is richer for it. Each of them has a legitimate expectation to have a barrier-free learning environment counteracting the contemporary and historical impact of bias, prejudice and discrimination which for generations has produced a predictability of learning outcomes based on race, class, socioeconomics, gender, ethnicity, sexual orientation, gender identity, cognitive/physical ability, diverse language fluency, and religion;” and

WHEREAS, it will take all of us—people of every background—coming together to do the personal, professional, and systemic work needed to support all of our children, families, and staff;

NOW, THEREFORE BE IT RESOLVED that the Cincinnati Public Schools Board of Education, District leadership, and its employees’ union leadership condemn the violence and hate speech that occurred in Charlottesville, Virginia, and state unequivocally that such ideas and beliefs are the antithesis of the values of Cincinnati Public Schools; we acknowledge that the actions in Charlottesville are an extreme example of the bias and discrimination built into many of our country’s systems and that it is our job to build a school system for our community where all children and staff are safe, welcome, and can thrive;

LET IT FURTHER BE RESOLVED that the Cincinnati Public Schools Board of Education directs the administration to:

(i) provide the necessary resources to build inclusive and supportive environments, where all students and staff members feel welcome to bring their whole self to school or work;

(ii) ensure that all CPS schools, sites, grounds and places where our students learn are safe and secure and that our students and families understand that we value and will protect each and every one of them;

(iii) assure all our students and families—but especially those being targeted by white supremacist groups, including people of color, Jewish, LGBTQ, immigrant, Muslim, and people from other marginalized communities—that District policies will be enforced to protect them; and

(iv) collaborate with our unions to provide the curriculum and professional development needed to fulfill the spirit of this resolution and the values of the District.
