**RE: Semiannual Report on Harassment,
Intimidation and Bullying**

Under Ohio Rev. Code 3313.666(B)(11), the District administration is required semiannually to "provide the president of the district board a written summary of all reported incidents [of harassment, intimidation, and bullying] and [to] post the summary on its website."

Board Policy 5517.01 also provides: "The President of the Board shall receive a written summary of all reported incidents semiannually, and this summary will be posted on the District's website to the extent permitted by FERPA."

I attach a spreadsheet with the reported number of instances of harassment, intimidation, and bullying for the first semester of the 2016-17 school year. The report also provides the reported instances from the 2015-16 and 2014-15 school years, during which there was a 19% decrease of reported instances of harassment, intimidation and bullying.

As you know, the District has adopted an Alternative to Suspension and Expulsion program that allows students to continue to receive instruction during a suspension or an expulsion.

If you have any questions, please do not hesitate to contact me.
