Cincinnati Public Schools
Photo / Video Permission Form

We often want to document positive activities happening in our schools and around the district by taking — or allowing others to take — photos and videos that may feature your child. These photos and videos may be used on our district and school websites, in printed and digital publications, on social media accounts (including Facebook, Twitter and Instagram), on outdoor billboards, in print and digital advertising campaigns, and also may be featured by local news media.

Please fill out and sign this form to give permission for your child's image and / or voice to be used.
