- Educate your children **on when and how** to dial 9-1-1 in an emergency, and make sure your children know their home address.
- Create a Smart911 Safety Profile at **www.smart911.com** to provide 9-1-1 staff and First Responders — police officers, firefighters and Emergency Medical Services — with information that can help protect your family in an emergency.

Signing up for Smart911 gives First Responders important information you have provided that can help **locate you and help you** in an emergency.

Other safety reminders:

- To avoid injury, choose your child's backpack carefully, making sure it won't get too heavy. A loaded backpack should weigh no more than 10 percent to 20 percent of your child's body weight.
- Don't put your child's name on a backpack, or on any outer clothing. If your child's name is easily readable, it makes it easier for strangers to approach and begin a conversation.
- Teach your children that **any adult they don't know is a stranger**, even if the person looks nice, and that they should never go anywhere with a stranger.
