

With access to technology comes responsibility.

- T** Is it TRUE?
- H** Is it HELPFUL?
- I** Is it INSPIRING?
- N** Is it NECESSARY?
- K** Is it KIND?

Be Safe & Responsible!

Remember that you have agreed to follow these rules. **THINK** before you do anything online that you would not want your teacher or parent to see.

- I will use technology for educational purposes only.
- I will be responsible for my computer account and email account. I will not give my password to anyone. I will log off from my account when I am finished.
- I will be responsible for my language.
- I will be responsible for how I treat other people.
- I will be responsible for my use of the Cincinnati Public Schools network.
- I will be responsible for being honest about who I am online.
- I will be responsible for protecting the security of the Cincinnati Public Schools network.
- I will be responsible for protecting the property of Cincinnati Public Schools.
- I will be responsible for following school rules if I publish anything online. I will protect myself by not posting personal information.

PREPARING STUDENTS
FOR LIFE

Through Academic Achievement · Personal Well-Being · Career Readiness

Email

All students are provided with an email account from Gmail. Visit: mail.google.com. Your email address is username@cincinnatiaps.org

Ask your teacher or school tech coordinator if you don't know your username or password.

Wireless

Connect to high-speed wireless internet through the guest network at your school.

Video Editing

Create and edit videos using WeVideo. Log in with your G Suite account at wevideo.com.

Schoology

Schoology is where your teachers post classwork and homework assignments. You can check assignment due dates, turn in assignments, get class announcements, and join class discussion boards. The mobile app for Schoology is available in the App Store or Google Play Store.

Digital Learning

Brush up on your skills or learn about a new subject for free! Several digital resources allow learning to occur anytime, anywhere. Khan Academy, Gizmos, Edgenuity, TCI, DBQ, and more.

Are you interested in online classes? The district is offering online electives for grades 10-12, such as African-American History, with more to come. See your school counselor for more information.

Laptops and Tablets

All students are issued a device for educational use. District issued laptops are provided to students in grades 2-12 and iPads for PreK-1 students. If you have issues with your device at school, let your teacher know. You can also contact Family Technology Support at (513) 363-0688 or email fts@cps-k12.org when at home. Remember to bring your device, fully charged, to school every day.

PowerSchool

PowerSchool allows you to see class grades, credits, and attendance, state test scores, graduation progress and more. Mobile app for PowerSchool is available in the App Store and Google Play Store.

Google Workspace

Collaborate with classmates and teachers in the cloud using your G Suite account to share files that can be accessed from anywhere, anytime. Mobile apps for Google Drive and Google Chat are available in the App Store and Google Play Store.

Student Portfolio

Build your Google Site or use your Schoology profile. Use these district-supported platforms to share your work as a portfolio, enhance project visibility, and communicate with groups.

Clever

Get easy access to almost all of the district's digital tools with Clever. Log in using your G Suite account. Login at: <https://clever.com/in/cps-k12>
