

PREPARING STUDENTS
FOR LIFE

August 30, 2019

Dear CPS Families,

Your child may have a new yellow bus route, effective Tuesday, September 3. The new routes are a result of higher-than-anticipated enrollment and increased demand for yellow bus service throughout our 91-square-mile district.

If your route has been updated, your child's school sent home an updated bus route postcard in their backpack today. You will also receive this information postcard via U.S. mail.

On Saturday, August 31, your child's updated yellow bus information will be available in PowerSchool; to access the information, please login to PowerSchool using a web browser, like Safari or Chrome.

If you do not have a PowerSchool account, please contact your school for login information; creating an account will not only give you quick access to bus route changes, but also your child's attendance and grades.

We know that this reroute information can be confusing or frustrating, and Cincinnati Public Schools is working hard to provide you the most accurate information in a timely manner. A rapid response team responding to these inquiries; if you have additional questions, please contact the Pupil Transportation Hotline at (513) 363-9700.

Sincerely,

Loren Johnson
