Since our inception in July, 2004, we have generated over $1,000,000 which has been utilized in many ways. Here is a look at some of our projects.

- This year, we held the 5th Annual Martin Luther King Day Classic, a basketball event held at Withrow's new Basketball Venue. Four CPS teams competed in front of 1,000 attendees. Once again, the WIZ was our presenting sponsor.

- For the second year, we managed a $50,000 grant from the Cincinnati Reds Community Fund to create baseball teams, upgrade facilities, and promote baseball in grades 7-12.

- For the fifth year we managed the Freedom Center restricted grant which provides entrance and bus fees for CPS students visiting the Underground Railroad Freedom Center during the school year. Using our suggested guidelines, the Freedom Center has focused this grant on curriculum-based criteria for grades which study slavery and the Civil War. This school year, 6,000 CPS students attended the museum. SAF and the Freedom Center have collaborated on future fund-raising to make this an ongoing program.

- We published and donated 1,500 Basketball yearbooks for use by the CPS high schools.

- We are proud to sponsor the Outstanding Student-Athlete Recognition Banquet, with the support of Turner Construction. This ceremony honors First Team All League student athletes and seniors with a 3.5 GPA or higher and earn a varsity letter their senior year. Additionally this year we will award four $2,500 college scholarships, funded by the Loveland Eagles, to female athletes.

- SAF managed numerous restricted funds to support:
  Aiken Athletics
  Zoo Outreach Visits for students with disabilities
  Walnut Hills Tennis
  Rothenberg Elementary
  Woodward Athletics

- SAF managed 30 Varsity Football games for six high schools at Stargel Stadium.
