External Audit Status Report
David Yost, Auditor of State Reports
1. Ms. Roberts provided the Committee with a copy of the Auditor of State’s report for the School Employees Retirement System of Ohio (SERS) and the State Teachers Retirement System of Ohio (STERS) for year-end June 30, 2016.

   The State’s opinion for both reports was that the accuracy and completeness of the census data and pensionable ages were fairly stated in all material aspects.

2. Independent Auditor’s Report of Cincinnati City Schools, Hamilton County, for the audit period July 1, 2014 through June 30, 2015, prepared by Plattenburg and Associates

   In conjunction with the work performed by the Independent Public Accountant, the Auditor of State issued a Finding for Recovery. The Recovery was due to an error in processing payroll during Treasury transitioning to a more simplified payroll process.

State and Federal Audit Updates
The Treasurer reported that in a two-year time span, the District has been subjected to 16 different audits and reviews from either the Auditor of the State or the Ohio Department of Education. She also stated while the District is happy to cooperate with the governing bodies, the sheer quantity of these activities
makes it difficult to focus on the District’s core business. Internal Auditor Roberts followed up by sharing the results/progress of each audit and review.

**ACTION:** The Treasurer and the Internal Auditor will provide the Audit Committee with a comparative analysis that includes the number of audits that are occurring at other school districts. The goal is to also determine if Cincinnati is experiencing substantially more audits and reviews than other urban districts in the state.

**Internal Auditor Midyear Evaluation**
Paul McDole, Human Resource Director, was present and updated the Committee on the evaluation process for employees.

Ms. Roberts provided the Committee with a copy of her self-assessed mid-year review for fiscal year 2017. The Committee reviewed the assessment and will forward their comments to Committee Chair Ross, for submission to Mr. McDole.

Upon completion of the Audit Committee’s review, the document will be submitted to the full Board for their review and evaluation. Ms. Roberts is evaluated by the Board, Treasurer and the Audit Committee.

**Preschool Expansion Update**
Treasurer Wagner reported that there was no confirmed information to report. She informed the Committee that the Trusted Entity is working on how funding will flow to the preschools. She also reported that entities are still in the process of appointing their five board members.

Ms. Bolton added that there is an unresolved issue as to when the subsidies and improvement grants will begin, even though the tax revenue will begin to be collected by the County and held in a dedicated CPS account.

**Other Business**

**Committee Chair**
The Committee agreed that Brian Ross would continue as Chair of the Committee.
