Dream Big – Life Skills Course

Dream Big is an in-school curriculum-based program designed to provide tools/resources for students to succeed beyond the classroom.

PROGRAM DETAILS:

Teacher led lesson plans that will guide students to identify who they are, what they want from life, and a plan to make it a reality.

Videos, articles, and activities within each lesson plan to provide students with equitable tools/resources to complete activities and identify their dreams/goals for life.

Virtual Resource Center where students will have access to resources/activities in class, after-school or at home via the DREAM BIG Resource Center that helps build their future.
Dream Big – Life Skills Course
