Cincinnati Public Schools Important Information for High School Application

For 2021-2022 School Year

This paper application is for use only for the following students:

- Current non-CPS students attending private, charter or home schools who live within CPS' district boundaries and who want to enter CPS' high schools in the upper grades (10, 11, 12)
- Current CPS students who want to change high schools in the upper grades (10, 11, 12)

Who does not use this paper application:

- Students now attending a CPS elementary school in grades 6, 7 and 8, or their parents/guardians, must apply to CPS' high schools through the district's **online lottery application system** from any Internet-connected computer.
- Non-CPS students who live within CPS' district boundaries and attend a non-CPS elementary school (private, charter or home schools) apply to CPS' high schools through the **online lottery application system**, but **parents/guardians of non-CPS students must come to CPS' Customer Care Center**, 2651 Burnet Avenue, in Corryville (45219), to submit the online application.

Due to the COVID-19 pandemic, CPS' Customer Care Center is **open to visits from the public only by appointment**. Appointments are available 9 a.m. to 3:30 p.m., Monday through Friday.

Information and to make an appointment:

- **CPS' Customer Care Center - (513) 363-0123**
- cps-k12.org/community/customer-care-center

Other details:

- Students are expected to remain in their selected high school programs for the entire 2021-2022 school year.
- All Cincinnati Public Schools' high schools are open to students with disabilities. If your child requires specialized placement, call CPS' Department of Student Services: (513) 363-0357
- **Waiting lists at high schools exist until June 30.**
