

CPS Magnet School Sibling Application 2022–23

Important Information — 2022 - 2023 School Year

Priority for acceptance into CPS' Magnet schools is given to students who live within Cincinnati Public Schools' district boundaries. Information on CPS' Open Enrollment policy — for students who live outside of CPS — is available on CPS' website: cps-k12.org

Who Should Apply?

Siblings of current CPS magnet school students who are currently enrolled in a CPS magnet school in grades preschool to grade 5, or preschool to grade 7. **If the current magnet school student will be exiting the magnet school the new sibling is applying to, sibling priority will not be granted.** The incoming sibling must reside in-district at the same address as the current magnet school student. All Magnet elementary schools are open to students with disabilities.

Applicants must be age 3, 4 or 5 by September 30, 2022, to enter preschool or kindergarten in 2022-23. **Children who turn 5 years of age by September 30, 2022 and are age-eligible must apply for kindergarten.** Parents may request their child be tested for early entrance into kindergarten if the child will be 5 years of age between October 1, 2022 and December 31, 2022. Children with birthdays after December 31, 2022 will be addressed on a case-by-case basis.

The district does not provide transportation for students enrolled in Magnet schools outside their East or West area. Changes to demographic information can be updated throughout the year, online or in-person.

Each funding grant has unique eligibility guidelines tied to Federal Poverty Guidelines. **Eligibility for funding sources is determined when a child is registering to enroll.** If a family's income is above the funding guidelines, other registration options are available. Families who are not eligible may be offered a preschool seat that requires payment of tuition.

Cost of Tuition

\$3,700 per school year for half day (\$500 due at acceptance)

\$7,000 for full day (\$800 due at acceptance)

Can I Apply? I Live Outside CPS' District Boundary

Families who live outside CPS' boundaries, or who move outside CPS' district boundaries after registering a child in CPS, will not be offered a seat until after in-district families have been served.

Students in preschool through 12th grade who live outside the boundaries of the Cincinnati Public School District may apply for admission to CPS schools during the annual open Enrollment Lottery period May 1–31.
